. . .from Our Community Lay Director

Dear HOF Emmaus Community:

I am sitting in our office this afternoon and looking to the North...the day has been overcast but the temperature very pleasant. It struck me that there are days when our lives are stressed and we tend to be overly busy, but the very presence of Jesus helps make our day "pleasant". Don and Sally have been God's servants during this training and planning time for Walk #13. I am sure they have had some overcast type of days, but God is so good and He does provide for the pleasantries of life, too. Continue to lift them up as they lead our new pilgrims toward some fabulous fourth days. Our community is continuing to grow and we are excited to see what God has in store for us. A special thank you to those individuals who helped us with a financial need. We are sending Bob and Diane Stephens to the Emmaus conference being held in Alpharetta, Georgia in a few weeks. Lastly, it has been an honor and sincere privilege for Kim and I to have known Henry Lewis and his precious wife, Jennette. Henry is hanging out with Jesus at the moment (and all moments hence). He is probably talking up a storm with Peter, Paul, Samson, David, and a host of others. Henry, we are all sad that you are not with us physically, but we know how happy you are walking those streets of gold. I imagine there are probably a couple of tractors to drive around in heaven, too!!!

We'll see you real soon

Decolores
