## . . .from Our Community Lay Director

*And it came to pass in those days that a decree went out from Caesar Augustus that all the world should be registered. . . . . Joseph also went up from Galilee out of the city of Nazareth, into Judea, to the city of David, which is called Bethlehem, because he was of the house and lineage of David to be registered with Mary his betrothed wife who was with child. So it was, that while they were there, the days were completed for her to be delivered. And she brought forth her firstborn Son, and wrapped him in swaddling cloths, and laid him in a manger, because there was no room for them at the inn. (Luke 2)*

I love the story of the first Christmas Gift to each of us! Our family celebrates Christmas Eve at an old church in a lay service where each of our kids reads various prophecies about Christ coming and the birth stories of Jesus. (Luke is my favorite!) We sing carols and end with a candlelight singing of "Silent Night". It has been a longstanding tradition among friends and family and a special part of our Christmas worship experience.

I encourage each of you to remember the first Christmas gift of our Lord Jesus this Christmas season! Merry Christmas to each and every one of you from the Heart of Florida Emmaus Board!

### Reunion Groups

Do you believe in reunion Groups? Do you think every member of our Emmaus community should be involved with a reunion group? When a pilgrim takes their Walk to Emmaus, we tell them how important it is to belong to a reunion group. In fact, we strongly encourage them to join one. We also tell them it is their sponsor who is responsible to help them find one to join, and if they can't help our community lay director will help. Is this really happening throughout our community? What about people moving into our community? How do they find us? How do they find a reunion group?

Today, I am asking each of you to insure your Reunion Group is listed on the Heart of Florida Emmaus website. If you are not sure, and do not have Internet access, you can call me and I will tell you if your group is listed. We are very flexible in how we list the groups and just what information is displayed; so don't let that be a reason to not list yours. Also, we have created a new column on our Reunion Group page called "Status". This column indicates if a Reunion group is "Open" or "Closed". This informs everyone whether new people can currently join this group or not. We all know that the size of the group can affect the effectiveness of the group, and sometimes the group can reach that critical mass, and adding any more members would be detrimental to the group, and that is okay. We simply list it as closed until such time as you are ready to accept more members. Remember, we are listing the groups so others can see just how committed and active we are, and just how many groups we have. Please send the following information about your Reunion group to Bill Dwinell at [webmaster@hof-emmaus.org](mailto:webmaster@hof-emmaus.org) so I can add it to our website:

Group Name	Where:	Who:	Meets:	Time:	Phone	Status	Contact
------------	--------	------	--------	-------	-------	--------	---------

**Group Name** – If you have one, if not maybe you want one?

**Status** – Open or closed (see above)

**Contact** – Name and email address of the contact for the group. I will provide an email address on our website and set up a forward so you will receive any mail at your regular address, but it will not show up on the website.

If you have any questions or concerns that are not addressed here, please contact Bill Dwinell at the email address listed above, or call him at 863-465-6913.

# Team Selection

January 6<sup>th</sup>

Do you have your Team Application mailed in?? Please send them in before Christmas - how about sending them in today?? We'd like to have them by December 20<sup>th</sup>, (not January 1<sup>st</sup> as noted in the last newsletter). We need team applications to help with team selection. Did you know one-third of the team is comprised of members with **NO** team experience? If you have never worked a team you might consider giving it a try, you will be blessed. The next one-third of the team is comprised of people that have worked one team but not more than 4 teams. If you fall in this category, please send in that application. The last one-third are members that have worked 4 teams or more.

One more point about applications - **they are not kept!!** Each time we have team selection we need new team applications, so if you mailed in one 4 years ago please send us a new one for Walk #16!!!

There are currently only 7 men's applications, and we need about 35!!!

Thanks so much and God Bless,

Ron Hosler

## Newsletters

***We need your help.*** Our **Heart of Florida Newsletter** can no longer be mailed using the non profit status of First Presbyterian Church. We must pay the postage for each newsletter mailed. This cost is approximately \$165 every other month, not to mention the cost of copying. Therefore we are asking that the community help us with the newsletter in two ways. **First**, if you wish to continue to receive the newsletter by mail you **MUST** fill out the form below and return it to Sharon at First Presbyterian Church. Of course, if you no longer wish to receive the newsletter - do nothing. **Second**, we are asking for a donation to help defray the costs of copying and mailing the newsletter. If you could send a \$5 or \$10 donation to help with these costs, it would be greatly appreciated. Please keep in mind, you do not have to send a donation to continue to receive the newsletter, but you **must** return the form.

**Your cooperation in returning your form to continue to receive your newsletter is appreciated.**

### *The Job of Registrar*

The Registrar for the Heart of Florida Walk to Emmaus receives and processes registrations for the Walks and communicates with Pilgrims and Sponsors on the status for their attendance to a scheduled Walk. The Request for Reservation applications are given to the prospective pilgrim by the sponsor. After the prospective pilgrim has completed the application, it is returned to the sponsor who then sends the request along with their Sponsor's Form and a \$20 non-refundable deposit to the Registrar. After the Registrar receives these two forms, they are examined for specific information. For example, if the Prospective Pilgrim is married, has the spouse attended, what church does the Prospect attend, why do they want to attend the walk, etc. Once they are inspected the forms are stapled together the stamped with the Registrar's stamp. The stamp is in fact a form itself noting the date the application was received, amount of deposit received and balance due, if the application information has been entered into the database, if the letters have been sent and any special notes of interest. This information becomes extremely important in the event of a full weekend at which time applicants are placed on a waiting list in the order in which they were received. Any funds received with the application are noted and turned over to the Community Treasurer.

If it is determined that the Prospect is married and their spouse has not yet attended a walk and no application for the spouse has been received, the registrar calls the sponsor to inquire as to the status of the spouse's application. If the spouse will not be attending, a letter is sent to the sponsor explaining the Heart of Florida Walk to Emmaus policy on married couples attending and a copy of the application is turned over to the Board of Directors to be placed on the prayer list or to direct the Registrar of any exceptions that have been made by the Board.

The information from the applications (both pilgrim and sponsor) is entered into a spreadsheet and into the master Emmaus database. **Approximately one month prior to the walk, letters are sent to the pilgrim welcoming them to our community along with a list of items they may want to bring. A letter is also sent to the sponsor which includes times and days of certain important activities such as send-off, candlelight, and closing. The sponsor also receives a letter to be used as a form to solicit letters for the pilgrim, a map to the campground and an explanation of sponsorship and its responsibilities.**

The applications are held by the Registrar until a week before the walk at which time they are turned over to the Lay Director of the walk. If any additions or deletions are made after that time the Registrar informs the Lay Director of the changes. Ten days prior to the walks, the registrar calls the director of the campground informing them of the number of people who will be attending the weekend. This number includes pilgrims & team members. The campground needs this headcount for meals. The Registrar also coordinates with the insurance company of First Presbyterian Church of Bartow to make sure a Certificate of Insurance for each weekend has been issued to the campground.

***Sponsors – please note that if you do not hear from the Registrar approximately one month prior to the walks, you will need to contact her.***
