. . .from Our Community Lay Director

Greetings Heart of Florida Emmaus Community,

To say we have been busy is an understatement. Our community is literally growing by leaps and bounds. I must be an Emmaus junkie...I am involved in three reunion groups at present. If you are not currently involved, please try to start one or contact your sponsor.

Included in this newsletter are your current 2005 board members. Please do not hesitate to call them if you have questions concerning our upcoming walk. We also have a website thanks to computer guru and all around Webmaster Bill Dwinell. He has done an awesome job and we are so fortunate to have him on our board.

Please lift Don Miller and Sally Hicks up in prayer on a daily basis. It is such a blessing to serve on a team and they have a Jesus-picked bunch that are truly being servants.

As always, Emmaus is a leadership building ministry and my prayer is that we first support our local church in areas of ministry that God leads you toward...The Emmaus Community is that extra stuff Jesus lets us do and we simply share the blessings that pour out over the rim of that cup and spills into the saucer.

God is so good all the time and all the time God is so good

DeColores,

Jeff

We are hoping some of you might prefer to read your newsletter online instead of receiving it by
mail. If you would like to receive it via the website instead of snail mail – please email Sharon
